Front Control Freestanding Range 4-Piece Gas Trim Kit

Create a built-in look for your range with The Frigidaire® Front Control Freestanding Gas Range 4-Piece Trim Kit. This trim kit eliminates unwanted gaps around the back and sides of your range due to oversized counter cutouts. Installation is easy with an adhesive backing, so no tools or hardware are required. This well constructed trim kit features a black stainless steel finish that holds up to normal day to day use. For use with select Front Control Freestanding Gas Ranges.

Available Colors: Black Stainless Steel

Version: 04/23

Consumer Benefits

Create a built-in look for your range

The 4 Piece Gas Trim Kit creates a seamless look around the back and sides of your range by covering oversized countertop cutouts.

Eliminates unwanted gaps

Allows you to easily wipe away debris and spills that fall between your range and countertop.

No tools or hardware required for installation

Includes adhesive for simple installation without the use of any tools or hardware.

The Island Trim kit is required (sold separately) in order to install the 4-Piece Trim Kit.

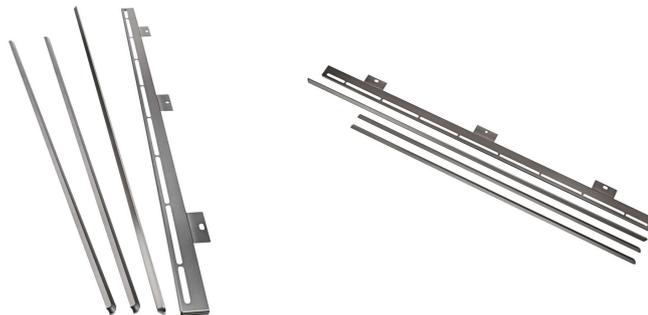

Durable black stainless steel finish

Durable black stainless steel construction enhances the look of your range and holds up to normal day to day use.

Fits a wide range of Frigidaire and Frigidaire Gallery Front Control Freestanding ranges

For use with select Front Control Freestanding Gas Ranges.
