Suggested Bulb: A Standard Bulb

Socket Type: E26

150/150

Cord: 6' Silver

Switch: 3-Way Turn Knob

Shade: Natural Raffia

Shade Dimensions: 11" x 16" x 10.5"h

Inspired by a medicine man's rattle, the Atamo Table Lamp is made of ceramic with a rust-leaning dark brown glazing that creates added texture on the surface of the brown lamp. The finish on the hardware and finial is called rustic black, and it draws out the dark tones in the lamp's body. The grasscloth shade not only echoes the lighter tones in the glazing, it adds texture to the overall composition.
