

## Description

Leon's Detail SEVEN on-wall rear channel surround speakers celebrate a 20-year history of American craftsmanship, acoustic engineering, and timeless aesthetics. Each speaker is handcrafted from 1" solid MDF and features world-class 7" aluminum cone woofers and 25mm cloth-dome tweeters for an unrivaled listening experience that perfectly complements our Horizon SEVEN and Profile SEVEN Series speakers. Ideal as rear surround sound speakers in any Living Space Theater® or dedicated home theater.

## Applications

Dedicated home theater | Living Space Theater®

## Key Features

- Handmade 7" aluminum cone woofers and 25mm cloth-dome tweeters
- 1" solid MDF cabinets provide unparalleled structural rigidity while decreasing unwanted resonance
- Unrivaled high-fidelity sound experience featuring smooth, effortless high frequencies and musical bass that captures the nuances and character of any performance
- Sonically-matched to our Horizon SEVEN soundbar and Profile SEVEN sidemount speakers to provide immersive sound
- An excellent alternative to in-wall speakers, Detail SEVEN speakers allow for easy installation
- Meticulously handcrafted, detailed, and tested in the USA
