NOTES

Offers understated elegance and superior comfort
Arms have an organic, sculptural shape with distinctive welt trim
Built to last with our DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
Zero Gravity recline technology relieves pressure as you sit
A power control on each side of the sofa independently adjusts the headrest, recline, and lumbar for a personalized sit
A separate home button on each side of the sofa returns the headrest, footrest, and lumbar to their original positions with one touch
High-density cushions consist of a high-resiliency, high-density polyurethane foam core
Leather/vinyl match has high-quality look that will hold up in the most demanding environments
USB port built into power control for convenient charging
Center console stores remotes, magazines, and other personal items
Two beverage holders keep refreshments close at hand
A power control on each side of the loveseat independently adjusts the headrest, recline, and lumbar for a personalized sit
A separate home button on each side of the loveseat returns the headrest, footrest, and lumbar to their original positions with one touch
Leather/vinyl match option has high-quality look that will hold up in the most demanding environments
A power control independently adjusts the headrest, recline, and lumbar for a personalized sit
A separate home button returns the headrest, footrest, and lumbar to their original positions with one touch
Easy to move through doorways with removable back
The power control allows you to independently adjust the recline, headrest, and lumbar support.
A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.
A USB port is included on the power control for powering electronics.
Zero draw technology only uses power when the USB port is in use.

Power Recline,
Headrest, & Lumbar
