Anderkit King Bed

V1731K-HF
Compendium Collection

SHOWN: V1731K-HF Fabric: Tish Ivory. Finish: Coventry

An 18th century Italian provincial form filtered through the playfulness of Dutch design combine wood and metal to inspire this versatile bed design. Short, tapered turned posts join wide rails with channeled detailing and are supported on tapered, round legs. A floating, arched upholstered headboard (tufting also available) has an exposed wood molded frame. The posts can be fitted with either ball finials or can be joined with a tall, intersecting metal canopy that is hinged with ball finials. Options abound on this intriguing bed.
