

PARKWAY FLEX SLING MOTION LOUNGE CHAIR

Model: 3470-5300
Collection: Parkway Flex
Designer: John Caldwell

BROWN JORDAN

With it's pure lines and precise geometry, this Parkway Motion Lounge Flex offers an inspired take on modernist design. Extruded aluminum frame is UV resistant and undergoes a rigorous finishing treatment and the sling fabric conforms to different shapes, weights, and movements. Customize pieces to fit your space with many sling and frame color options. *Not suitable for contract use.
