This End User License Agreement (“EULA”) is a legal agreement between you and Sony Electronics Inc. (“Sony”), the licensor of the software [other than the “Excluded Software” as defined below] included in this Sony Product and related materials which shall be collectively referred to as the “Sony Software.” This EULA covers the Sony Software and that of Sony’s affiliates and third party licensors (“Third Party Licensors”) and accompanying printed or online documentation. The Sony Software includes software in your Sony Product, including updates or modified software, provided to you by Sony, whether stored on media or downloaded to the Sony Product via any method, but not Excluded Software as defined below.

The Services may be changed at any time and may be unavailable from time to time.

You understand, acknowledge and agree that access to certain Sony Product features, including but not limited to your ability to access the Sony Content Services, requires an Internet connection for which you are solely responsible. You are solely responsible for payment of any third party fees associated with your Internet connection, including but not limited to Internet service provider or airtime charges. The quality of the Sony Content Services presented is subject to your Internet provider’s service and terms, and is also dependent upon the speed of your Internet service.
