## The Elite

---

Our most luxurious base on the market, the Elite series offers maximum features and benefits possible. From built-in massage therapy, to added comfort with lumbar support and a head-tilt option, this base is sure to please. With an Ergomotion adjustable base you can start and end each day perfectly—and even relax in the middle. This one-of-a-kind foundation provides ergonomically correct support that evenly distributes pressure, relieving joint and muscle pain. And let's not forget the well appointed design, keeping up with your standards.

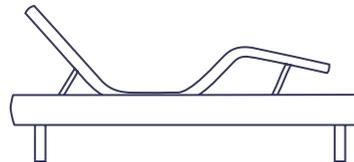

*These days a bedroom is more than just a place to sleep – it's a retreat. With an Ergomotion adjustable base, you have the ultimate getaway.*

# Flexibility

Our Ergomotion adjustable bases put traditional beds to shame. With the touch of a button our frame morphs your bed into whatever form you desire – providing ergonomically correct positioning that supports the natural curvature of your spine and evenly distributing pressure to relieve muscle and joint pain. Ergomotion bases compliment all standard mattress sizes and is operable with or without legs.

# Features and Benefits

---

## Under Bed Lighting

At the touch of button, a soft light illuminates under the bed, allowing you to see without disrupting your partner.

## One Touch Positions

Whether you want to work, watch TV, or relax, you can move your Ergomotion into the perfect position with the simple touch of our TV, Relax and Flat buttons.

## Massage Therapy

Taking pressure off your lower back and spine has never been easier. By elevating your legs above your heart, the Zero G preset will increase circulation throughout your body, raising those pesky problem areas.

## Head Tilt and Lumbar Support

Fine tune the most comfortable position with these high end features, offering the most comfort and support imaginable.

## Experience Zero Gravity

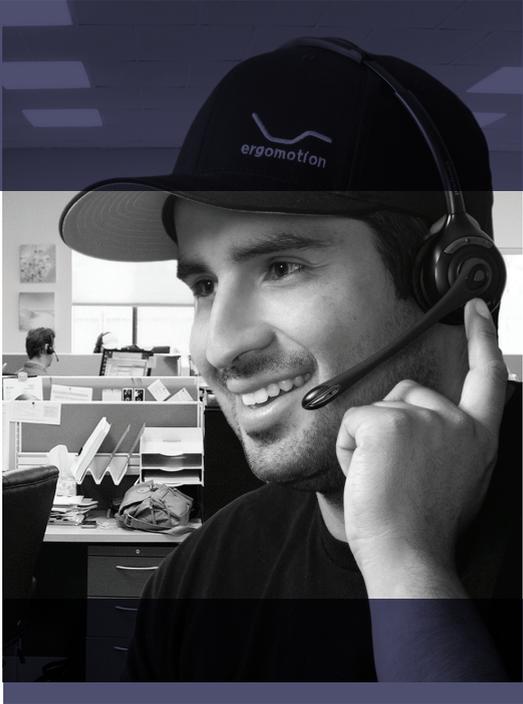

By elevating your legs above your heart, the Zero G preset helps to increase circulation throughout your body, relaxing those pesky problem areas.

# A Little About Us

---

At Ergomotion, we lead the adjustable bed industry by continuing to design products that redefine how we enjoy our homes. Adjusting to lifestyle changes, reimagining how we interact with our living spaces, designing products that are truly inventive, providing a level of service that is \*the\* benchmark in our industry, and making our homes more functionally beautiful. We design to differentiate from the expected. We engineer to innovate. We create to make beauty. We strive to provide support that is second to none. And we are passionately focused on redefining how our lifestyle, and our style, can seamlessly blend to make the very best experiences imaginable.

## Customer Support

Our sales team and customer support provide the best service in the industry. We're passionate about our products as well as our customers and it shows in the level of service we provide. Reach out to us anytime and we'll happily answer your questions. We are excited for your business!
