Medium Granite Mushroom

2200-0057

In Stock | New

Overall: 11.75"h x 11"dia.

Finish: Textured Brown

Materials: Stone

Item Weight: 53 lbs.

To create the Medium Granite Mushroom, artisans take a cube of stone and carve it until they reach a perfect mushroom shape. They then finish the sculpture in a textured brown to make it look like it's an aged garden artifact.
