All Angles 1

D2780S55585-4686

The first in a four-part series, All Angles 1 is an example of hard-edge abstraction, an art style characterized by large, flat areas of color with sharp, clean edges. This art form emerged during the mid-20th century. All Angles 1 presents precision and control and a lack of visible brushwork or marks, hallmarks of the style. The focus is on the object with minimalist geometric shapes and a monochromatic background. The dark color palette in navy, blue indigo, denim, and mocha complements the hard edge and lends a sense of depth and movement. Dynamic and aesthetically pleasing, All Angles 1 is an alluring addition to ART by TA.
