COLIN KING BED

RN-1147-34

A place of pure bliss and rejuvenation. There are no sharp edges or harsh lines with the Colin bed. Both frame and headboard create a beautifully curved silhouette that's stress-free and perfectly padded in sumptuous bouclé upholstery. Made for mellow spaces and doubled down in softness, this bed's gentle lines and rounded corners will give your bedroom a sense of tranquility. Simultaneously, its dark, subtly exposed wooden post legs provide an added sense of security and stability. Practically a dreamy cloud, Colin is an inviting place of pure relaxation for the body and mind. Rest upon the Colin and watch your worries slip away.
