Availability: as of 9/21/2021 7:15:33 AM

Item Weight: 38 lb

A dark beauty, our Teagan Ivory bench has handsome cane sides and a beech wood frame, both in a weathered beech finish. Resonating with the glossy dark tones, the striations in the F0230 Attel Ivory fabric adds to the texture of this black bench with its crosshatched patterning. It's also available in muslin, and we offer the Teagan as a chair.
