NOTES

Sleek arm pads and elegant stitching make a style statement
 Built to last with our DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
 Power controls on each side of the sofa independently adjusts the headrest and recline for a personalized sit
 Separate home buttons on each side of the sofa return the headrest and footrest to their original positions with one touch
 Attached seat and back cushions ensure a comfortable sit that will last
 High-density cushions consist of a high-resiliency, high-density polyurethane foam core
 USB port built into power control for convenient charging
 Center console stores remotes, magazines, and other personal items
 Two beverage holders keep refreshments close at hand
