NOTES

Center storage console features two cup holders and space to house remotes, magazines and other items
Power controls on both arms independently adjust the headrests, recline and lumbar for a personalized sit
Home button returns the headrest and footrest to their original positions with one touch
USB charging port built into power control keeps devices powered up and ready to use
Pull-tufted, triple-divide back cushions support your back and have distinctive look
Rounded pad-over track arms enhance comfort and provide additional forearm support
Contoured seats with chaise pads for a comfortable, tailored look
Built to last with our DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
Attached back and seat cushions stay right where you want them, keeping you comfortable and your space tidy
High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline
Available in durable, cleanable performance fabrics that will withstand everyday use by an active family
Available in over 250 fabrics to suit any décor
Removable backs allow for easy lifting and maneuvering through doorways
Power controls on both arms effortlessly adjust the recline, keeping you comfortable
Power controls on both arms independently adjust the headrest and recline for a personalized sit
Handle-activated recline system on the side of both arms allows you to manually adjust between sitting and reclining
Footrest easily lowers when you apply pressure in a downward motion
The power control allows you to independently adjust the recline, headrest, and lumbar support.
A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.
A USB port is included on the power control for powering electronics.
Zero draw technology only uses power when the USB port is in use.
Power allows you to smoothly recline to any position.
A single USB port is included on each power button control on styles with arms.
The power control allows you to independently adjust the recline and headrest.
A separate home button returns the headrest and footrest to their original positions with one touch.
