

# All Natural

## Caracole

The designer's artistic vision of finding balance against all odds, this sculptural dining table embodies harmony found in nature. Playing up light and shadows, a carved walnut base adds dimension and a sense of movement to dining interiors. Designed with a reverse bevel, its veined white marble top creates the illusion of a thin stone resting on its conical base. Intimate and intentional, it elevates entertaining and quiet evenings in. Comfortably seats 4 to 6.
