Beacon Cream Counter Stool
19.5" W x 19.5" D x 38" H • 12.01 CUFT • 38.3 lb.

Make family, friends, and guests want to stay 'till closing time when they're seated on these Beacon boucle fabric bar stools/counter stools. These handsome stools are just the thing your kitchen counter or home bar is missing, with their ultra-modern design and beautiful look. The curved backs support the body while you sip a frosty cold one or nosh on some breakfast fare. A matte black metal frame gives the stools' design durability while the cream boucle fabric adds a touch of softness and comfort.
