### Overview

Designing and building high quality wood chairs requires an expertise in complex geometry, precision part sizing and specialized joinery. The end result is an elegant structure fit for comfort. It is no easy task.

- Handmade in choice of Ash, Cherry, Maple & Paint
- Select from 53 wood and finish combinations
- Available as a side or arm chair.
- A moderately deep sculpted seat for added comfort.
- Hand selected, sustainably-sourced and responsibly harvested hardwoods from the Appalachian forest.

- 100% built in the USA by expert artisans and finished to order.
- Our catalyzed lacquer top coat finish is easy to maintain and resistant to household spills from water to wine.
- Solid hardwoods are a superior furniture making material for so many reasons. Tops on our list: beauty, longevity, value, and the health of your family.
