

Summit Performance® Pillow

Sizes Available: 0.0 | 1.0 | 2.0 | 3.0

The Technology Behind The Innovation:

- The Ver-Tex™ instant-cooling cover - keeps you cool and reduces overheating throughout the night.
- Air-X® Mesh and Air Vents - ensure maximum airflow preventing heat buildup.
- Boost® Fill - Spring-like foam blend keeps you gently elevated for support that won't fall flat.
- Removable and washable cover helps you keep your pillow clean for longer lasting comfort.
- Available in four sizes/profiles so you can find your perfect fit based on your body type and sleep position.
- Bedgear Pillows are manufactured in the USA

Instant-Cooling Feel

Ver-Tex™ instant-cooling cover helps reduce overheating to keep you comfortable.

2 Airflow Patches

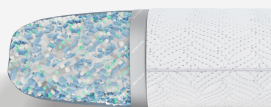

Breathable Air-X® mesh patches provide continuous airflow throughout the pillow.

Washable Cover

Sleep clean & healthy with a removable, washable cover that requires less water and energy to clean.

Consistent Comfort Designed To Never Flatten

Elevating Support

Our Boost® material offers a satisfying lift to keep your head & neck from sinking into the pillow.
