## Brinley Marble Accent Table Light Brown

A sturdy iron base cradles a generous slab of marble in the Brinley marble accent table. Light brown marble creates a warm feel, while a polished finish sets a sophisticated tone. Note that some variations in color and pattern of the marble should be expected.

- Solid iron base with a marble tabletop
- The use of natural materials means embracing imperfections (such as unusual marble veining, rock striations, textured grooves, and uneven texture)
- No assembly required
