Raffia, like all natural materials, features inherent disparities in color and weave pattern. Variations in shade and markings are normal and can be expected with the natural and hand-woven materials used in the construction of this product. Avoid direct sunlight and high humidity or moisture areas. Trim any loose fibers with scissors.
Drawers feature metal slides and .75 extension
Weight Capacity: 440 lbs
Ideal for use as a dresser in a Bedroom or Guestroom
For cleaning Raffia, use a dry cloth or paint brush to remove dust. Raffia is a natural material that is inherently heat and humidity resistant. All our Raffia has a topcoat of clear lacquer to give added protection against stains, spills and fraying without removing the natural texture and feel of raffia. If any fraying occurs, just simply cut the portion of fray with scissors.
