NOTES

Available in more than 250 fabric options

Also available in Performance fabrics - Revolution and LiveSmart

Removable backs allow for easy lifting and maneuvering through doorways.

Power allows you to smoothly recline to any position.

A single USB port is included on each power button control on styles with arms.

The power control allows you to independently adjust the recline and headrest.

A separate home button returns the headrest and footrest to their original positions with one touch.

A USB port is included on the power control for powering electronics.

Zero draw technology only uses power when the USB port is in use.
