

WEST CAMDEN COLLECTION

West Camden is an elevated mix of casual textures and luxe accents. Dimensional wood-carved elements include fluted drawer fronts, reeded and raised door panels married in a rich Tahitian Pearl finish and balanced against luxe, black steel metal accents & Carrara marble. Crafted from walnut solids and quartered veneers, select styles are also available in 40+ additional custom finishes via our Monogram and Custom Paint Program. The West Camden Collection is available for the living room, dining room, bedroom and home office.
