

Fluent II by Orfeo Quagliata

Black Maple Floater • 240578-001

Overview

Mexico City-based artist Orfeo Quagliata draws inspiration from architecture and industrial design, often working with crystal, glass and sculptural objects. He starts this collection with glass art that is then photographed and translated to a high-definition metal print using dye sublimation print technology and float-mounted for a modern, gallery-quality look. Handmade in Austin, Texas.
