Sabrina Table Lamp

Classic, but with better posture. The Sabrina takes a familiar table lamp shape and sharpens it up with a tapered mango wood base and fluted detailing for a clean, transitional look. A linen shade keeps the light soft and easy, while the dark brown finish stays versatile across traditional and updated spaces alike. It's the kind of piece that settles in fast—and makes everything around it feel more considered.

- Refined Tapered Shape: A classic silhouette with fluted detailing adds subtle structure, working effortlessly in traditional or transitional interiors.
- Mango Wood Foundation: Solid mango wood delivers natural warmth and steady presence, finished in dark brown for an easy-to-style, classic tone.
- Linen Shade Glow: A linen shade softens the light and balances the wood base, creating a calm, comfortable ambiance for everyday use.
