MOE'S

Jenson Nightstand Brown

Push, and the drawer does the rest. Jenson keeps your bedside feeling clear, pairing a classic frame with a deep brown, wirebrushed oak look. It's designed for the nightly routine: stash, close, move on—no hardware catching sleeves or cluttering the front. Oak veneer wraps the top, sides, and drawer face for a consistent finish, while a rubber wood inner frame supports everyday use. Clean storage, clean lines, better mornings. Right where you need it, always.

- Classic, Clean Profile: A timeless, squared-off frame and deep brown, wirebrushed finish add depth without adding visual noise beside the bed at night.
- Oak Veneer Wrap: Oak veneer covers the front, sides, top, and drawer face, delivering a consistent grain look that layers easily with other woods.
- Rubber Wood Frame: Inside, a rubber wood frame supports the veneered exterior, giving the piece a sturdy feel for daily, bedside use year-round.
- Push-To-Open Drawers: A gentle press opens the drawers for smooth access, keeping the silhouette handle-free and your essentials neatly tucked away always.
