

## INTRODUCTION

Luxury isn’t meant to be left desired—it’s meant to be attainable. The ZLINE 15 in. Touchstone Gourmet Ice Maker with Drain Pump and Satin Stainless Steel Door (IGMD-SN-15) features cutting-edge freezing technology allowing you to craft creative cocktails, iced coffees, and more with restaurant-quality gourmet ice cubes. Designed with a fully wrapped, anti-sweat stainless steel exterior and a durable door perfect for indoor or outdoor installation, ZLINE Touchstone Ice Makers are masterfully crafted to elevate your entertainment game to new heights.

## FEATURES & BENEFITS

- Gourmet Ice Cubes - Innovative ice-making technology creates restaurant-quality gourmet cubes that won’t cluster together or dilute drinks
- Outdoor Compatibility - A fully wrapped 430-grade stainless steel exterior with an anti-sweat and waterproof design is compatible with outdoor installation amid ambient temperatures of 50–110°F
- Multiple Cube Sizes - Craft a bevy of creative cocktails and ice-cold drinks for all ages thanks to an easy-to-use setting that offers 6 different cube sizes

- Factory Installed Drain Pump - A high-caliber sealed drain pump with a 6-foot hose creates installation flexibility by giving customers options on where to drain water
- Seamless Integration - A precise zero-clearance design matched with an easy-to-install anti-tip device allows for flush built-in installation into any undercounter setting
- Sabbath Mode - A convenient Sabbath Mode enables optimal energy efficiency for those of particular faiths during use on the Sabbath and holidays
