Aster Settee - MDS20215-3

PRODUCT SUMMARY

Collection: Any Finish

Features: Resting gracefully atop brass casters, the elegant silhouette, inspired by Bunny Mellon's designs, reflects Mark D Sikes affection for antiques with its cane seat, lattice back and scroll arms. The Aster Settee is generously proportioned for an entry hall, intimate corner of a living space or a resting place at the foot of a bed. It's striking composition is distinguished by intricate details from silk rosettes and twisted cording to a single, tufted-cushion seat with tassel ties. Available in your choice of finish. Rush seats are standard in Natural Rush finish but also available in our rush painted finish.
