Harding Wicker Bowl Natural

The kind of bowl that makes “I just tossed this here” look intentional. Harding brings a traditional, heritage-leaning weave into the mix, adding warmth and texture without stealing the spotlight. Woven from natural cane, its low, shallow profile is perfect for styling a coffee table, console, or shelf with an easy, collected feel. Organic tone, hand-done character, and plenty of styling range—Harding’s here to hold the moment.

- Heritage Weave Look: A classic wicker silhouette with a low, shallow shape that layers beautifully into styled surfaces without feeling fussy or formal.
- Natural Cane Finish: Crafted from cane in a warm natural color that plays well with wood, stone, and soft textiles across a range of palettes.
- Decor-Ready Shape: Wide and shallow for easy styling—use it as a centerpiece base, a catchall, or a simple grounding piece on open shelving.
