

Oblique Desk

Caracole

At once retro and contemporary, the strong vertical lines of this desk are softened with an oversized fillet on each end of the cabinet. The seamless, full-surround exterior and interior finish is glowing Soft Silver Gloss paint. This piece showcases discrete Brushed Whisper of Gold metal pulls, stamped with the Caracole logo. Position against a wall or extend into the room, three deep drawers on the left side offer significant file storage space and have soft-close under-mounts. The two center drawers also have soft-closing features and a pencil tray.
