5.2 cu. ft. 30" Freestanding Electric Coil Range

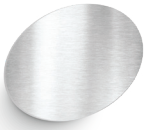

WOW Features

Largest Oven Capacity with Hidden Bake Element*

Durable Design

Midea's 5.2 cu. ft. Freestanding Electric Coil Range offers the largest oven capacity* available in a coil-top model with a hidden bake element, as well as a full-coverage broil element for consistent, edge-to-edge heating. Perfect for busy households, this range features durable coil elements that can easily handle heavy pots and pans. A sleek enamel surface with matching drip bowls, a hidden bake element at the bottom of the oven, and a Steam Cleaning function make after-dinner cleanup easy, inside and out. When your range is a breeze to maintain from top to bottom, you can **PLUS UP** what matters most.

5.2 cu. ft. 30" Freestanding Electric Coil Range

Largest Oven Capacity*

PLUS UP your space with a 5.2 cu. ft. oven, the largest available in a coil range with a hidden bake element.

*Compared to other electric coil ranges with exposed bake elements. Comparison based on publicly available manufacturer specifications for models available in 2026 at the time of analysis.

Durable Design

PLUS UP your reliability with coil elements that can easily handle large pots and pans without cracking or scratching.

Easy-to-Clean Cooktop

PLUS UP your convenience with an enamel surface and matching drips bowls that simplify cleanup.

Steam Cleaning

PLUS UP your cleanup with steam that gently loosens baked-on messes.

Full-Coverage Broil Element

Runs the full width of the oven cavity for even, edge-to-edge crisping and browning.
