NOTES

- Compact size, perfect for users under 5' 6" in height
- Memory foam zoned comfort in the backrest and seat provides additional support and pressure point relief for your back, shoulders and seat
- Removable Technogel head pillow for cooler sleeping comfort
- Customize your comfort with a hand wand control that adjusts the headrest, lumbar support and Zero Gravity recline independently
- Hand wand control includes presets for relaxation and sleep settings which can be reprogrammed to any position of your choice, while the wand control can be accessed from either side of the recliner to accommodate your dominant hand
- Motion-activated LED base lighting turns on when you approach or get out of the recliner, and can be adjusted in brightness and color in the MyRecline app
- Built to last with Flexsteel's patented Blue Steel Spring™ seat system, providing unmatched support and durability
- Light gray performance fabric is durable and easy to clean, and has superior resistance to moisture penetration
- Two side pockets on each side of the recliner provide ample space for storing magazines, remotes, and more
- User-friendly MyRecline app technology allows you full control of your Zecliner's functions easily from your phone
- USB-port located in the hand wand provides convenient charging for your devices
