# Specs

## Audio

**Four full-range woofers** ensure you'll hear the faithful playback of mid-range vocal frequencies plus deep, rich bass.

**One tweeter** creates a crisp and clear dialogue.

**Three passive radiators** help move air around inside the compact Sonos Beam and add warm sound to the bass.

**Adjustable bass and treble controls** let you customize your sound by individual room or groups of rooms.

**Five Class-D digital amplifiers** perfectly tuned to match the speaker drivers and acoustic architecture.

**Five far-field microphone array** used for advanced beamforming and multi-channel echo cancellation.

When the microphone LED is on, Alexa is ready for a voice command. When the light is off, the microphone is off.

## General

**Dimensions - H x W x D**
2.70 x 25.625 x 3.94 in. (68.5 x 651 x 100 mm)

**Weight**
6.2 lbs (2.8 kg)

**HDMI ARC**
**HDMI Cable** connects to your TV's HDMI ARC input.
