A sanctuary of unparalleled bliss and rejuvenation, the Colin king bed is thoughtfully designed with a harmoniously curved frame and headboard enveloped in sumptuous velvet upholstery. This exquisite piece exudes an air of serenity with its gentle lines and rounded corners complemented by the subtle, exposed wooden post legs.

- Modern, Soft Lines: Streamlined shape and gently padded panels combine tailored structure with a comfortable presence that anchors any bedroom with ease.
- Textured Upholstery: 100% polyester upholstery in oatmeal adds warmth and subtle texture, pairing naturally with neutrals, woods, or color-forward bedding.
- Sturdy Foundation: Solid pine frame with plywood and MDF support ensures balanced strength for nightly use and lasting stability over time.
- Smart Sleep Design: Supportive slat system prevents mattress sagging or shifting—no box spring required—and can be removed to fit adjustable base frames.
