

ATHERSTONE

LOVESEAT | SM6436-LV

DETAILS:

Part luxury, part comfort—this is the promise of our Atherstone loveseat. After a long day, come home and sink into the loose pillow backs and rest your arms on the wide, wrap-over padded arms. The chenille fabric is soft and welcoming, to ease you into a relaxing weeknight. Block legs are stylishly chrome in the front and wooden on the back, while the blue floral fabrics used on the accent pillows pop against neutral light gray base.
