

VAULT SERIES

v44/v44UX

Description

Leon's Vault Series in-wall speakers are fully sealed and handcrafted from solid MDF to deliver uncompromising quality in both construction and performance. The Vault v44 speakers can be used as concealed L/C/R speakers to create high-performance home theater systems, or they can be used as rear channels to complement our Horizon™ or Profile™ Series speakers for a truly integrated sound solution.

Key Features

- Fully sealed and tuned enclosure constructed from 3/4" MDF
- Timbre-matched to Horizon Hz44 and Profile Pr44 Series speakers
- At only 3.75" deep, they fit easily into any standard wall
- Thin framed, removable magnetic grills can be custom painted in-house (color-matched fabric grills are also available)
- Re-engineered mounting system for easy installation
- New construction brackets

Recommended Pairings: Horizon Hz44, Profile Pr44, Aaros A10-UT
