

BARON

AREA RUG | RG8202

DETAILS:

These novel rugs will bring the fun to any kids' play room! Featuring wide-ranging motifs--from dinosaurs to hopscotch--each rug is designed with vivid colors and learning in mind. Latex backing keeps them in place while the kids run and frolic around. They are made of soft and easy to maintain nylon, so they are a treat for both your kids and you! The Baron collection is machine-made in the United States.
