ORDERING MATCHING HEADBOARDS AND FOOTBOARDS FOR STORAGE OPTION
The Heritage Raised Panel, Heritage Estate Panel, Portland Shiplap, Emmerson, and Emmerson Flat Panel bed styles have a complete bed option (headboard and matching footboard boxed together) listed on the front. These item numbers are compatible with the 3 drawer elevated storage pedestals and are the most cost effective and preferred way to order an elevated storage bed configuration.

SPACER KIT is required for assembly to attach two of the elevated 3 drawer storage pedestals, creating a solid platform for the mattress.
