

MP-WP187-S-B

Media Presentation Wall Plate â€” Crestron DigitalMedia 8Gâ„¢ Fiber, Black

Media Presentation Wall Plates complete the total Crestron® package, ensuring end-to-end Crestron quality for every installation. A range of wall plates is offered to support all types of analog and digital video, audio, and control signals. The MP-WP187-S features one (1) female SC type optical fiber connector labeled for DigitalMedia 8G Fiber. A bulkhead type feed-thru connector is used, providing a female SC connection at the rear of the wall plate to facilitate installation using **CresFiber® 8G Fiber Optic Cable** or equivalent.
