Finish: Natural/Mirror

Materials: Wood/Glass

Availability: as of 9/17/2021 6:51:36 AM

Item Weight: 80 lb

The natural driftwood covering the frame of the Beachhead Mirror seem arrow-like placed on diagonal as they are. The textural composition of the frame makes this a rough luxe offering that will bring movement to its spot on the wall. This rustic driftwood mirror can be hung vertically or horizontally with the metal cleat that is supplied.
