

Halston Chair

Heirloom Black • 229488-001

Overview

A Seventies-era style inspired by a flea market find, a dramatically tufted sling seat of black top-grain leather angles at the just-right pitch for total comfort, with wide, brown ash framing. Sourced from one of the oldest family-owned tanneries in Italy's Bassano del Grappa, heirloom leather is salvaged and processed from upcycled hides featuring an abundance of natural markings, scars and color variations. The result? Beautifully supple, buttery soft hides with an unmatched depth of color and richness, and an authentic lived-in look.
