SPR

Compact- design cooker with gas oven and gas hob: efficient and responsive, the visible heat source allows total control and choice of the right intensity.

Features

Gas hob - Gas provides permanent control of the heat source and the temperature change is immediate

Vapor Clean - By inserting water into a recess at the bottom of the cavity, steam is generated, which softens the residue and facilitates its removal

Storage compartment - More space thanks to the lower compartment, ideal for storing accessories or cooking utensils

Tangential cooling - New cooling system with tangential fan and airflow from the door to the splashback

Soft close - The door is equipped with a specific system for silent closing
