Features

Crafted from reclaimed oak wood, materials consist of variations like distressing, knots, hairline cracks and oil stains. These features may result in color variations, rubbed edges, and other antique-like characteristics.

Finish is applied by hand and consists of water-based materials in a multi-step process.

Distressed black finish with rubbed black hardware for seamless styling.

Expertly crafted tongue and groove joinery allowing for slight movement and to prevent cracking; extending the life of this piece.

Made with FSC®-certified wood. Your support in purchasing this product promotes responsible sourcing and our efforts to ensure thriving forests.

Featuring 180 degree hinges with magnetic cabinet door catches and tempered glass front for visibility into the shelved cabinet.

Store and organize serve ware, dishware and other household items with multiple 18" deep adjustable shelves. Wire management holes included.
