Product Description: Form and function meet artistic expression with the Revival Row Rectangular Cocktail Table. The combination of the rectangular shape, splayed legs, and intricate carving creates a table that becomes the focal point of any space. A discreet drawer is seamlessly integrated into the design, offering a convenient space to store remote controls, magazines, or any other items you want to keep within reach but out of sight. The stretchers on each side of the table add stability, and the deep, rich Chimney Smoke finish contribute to a cohesive, well-designed look.

Collection Features: This collection gathers elements of traditional English and French designs, casualized for the modern consumer by its updated finishes and functional scaling. Capitalizing on the familiarity and interest of these rich histories, this collection of items, including both suited and individual pieces, is a compilation of two distinct but complementary lifestyles.

Status: Active

Finish: A deep, rich Chimney Smoke finish exudes an intriguing and mysterious aura

Features: Traditional craftsmanship meets modern design. Features an open surface for magazines and decor and a drawer for convenient storage. Splayed legs with decorative carving gracefully extend outward from a central point, creating a stable and visually captivating base.

Material: Hickory Veneers

Drawer Construction: French and English Dovetail Drawer Construction

Frame Construction: Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.
