NIMBUS PILLOW

CONNECTING BACK TO SELF

Cool, calm and relaxed – this pillow is a slice of the California lifestyle. Inside you'll find high density visco elastic memory foam with an open cell structure that supports your head and neck without losing its signature shape. The outside of the material is lined with TENCEL® New Age fabric. This ultra-conforming fabric is smooth to the touch and manages temperature keeping your head cool and relaxed. You've never used a pillow quite like this.
