MOE'S

Davie Modular Sofa Olive

Soft chenille, strong boundaries—Davie keeps spills in check and comfort turned up. This modular sofa wraps you in earthy olive texture that brightens the room without yelling. Plush seat and back cushions layer a foam core with feather-and-fiber wrap, plus six toss cushions for extra support. Underneath, S-spring suspension and a plywood frame keep the sit buoyant. PFAS-free C0 performance treatment helps life wipe away and webbing support keeps movie-night sprawl feeling steady all night.

- Modular Sofa Shape: Low, modular silhouette in Olive chenille brings a soft statement, with clean lines that keep the room feeling organized.
- Textured Polyester Chenille: 100% polyester upholstery feels soft and textured, designed for everyday use while keeping color and texture looking fresh.
- Buoyant Seat Support: Plywood frame pairs with S-spring and webbing suspension to add bounce and help the cushions hold their shape over time.
- Toss Cushion Boost: Includes six toss cushions to prop, stack, or share, so you can fine-tune support for reading, naps, and movies.
- PFAS-Free C0 Treatment: PFAS-free, C0 performance-treated fabric helps resist everyday messes and makes quick cleanups easier, without changing the soft chenille feel.
