NOTES

- Contoured arms and clean lines create a sophisticated aesthetic
- Built to last with our DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- One power button independently controls the headrest and recline for a personalized sit
- A separate home button returns the headrest and footrest to their original positions with one touch
- Attached seat and back cushions ensure a comfortable sit that will last
- High-density cushions consist of a high-resiliency, high-density polyurethane foam core
- Gliding feature offers seamless, soothing movement
- Available in Midnight Black and Honey leather, and in Grey and Cappuccino fabric
- USB port built into power control for convenient charging
- Includes center console with storage and cup holders
- Power controls on each side of the loveseat independently adjusts the headrest and recline for a personalized sit
- Separate home buttons on each side of the loveseat returns the headrest and footrest to their original positions with one touch
- Power controls on each side of the sofa independently adjusts the headrest and recline for a personalized sit
- Separate home buttons on each side of the sofa returns the headrest and footrest to their original positions with one touch
- The power control allows you to independently adjust the recline and headrest.
- A separate home button returns the headrest and footrest to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.
