## PRODUCT HIGHLIGHTS

### Google™ Cast

LG Music Flow products have Google Cast built-in so you can cast your favorite music apps like Pandora and Google Play Music from your personal device to your speakers. You can cast from your Android phone or tablet, iPhone, iPad, Mac or Windows laptop or Chromebook.

### Smart Hi-Fi

Connect your LG Music Flow speaker to your network via Wi-Fi® to access music from compatible mobile devices, NAS drives, PCs and internet streaming services. Once connected, all of your content will be at your fingertips and easy to control through the Music Flow Player app.

### Built-In Battery

The built-in rechargeable power supply inside this portable speaker lets you enjoy your music on the go, without worrying about replacing batteries. And, with long lasting battery life between charges, there's plenty of time to enjoy your favorite tunes.
