Caracole

A piece of art is not always found on a canvas. Our custom-painted Watercolours cabinet is a piece of art that also solves a variety of functions in your home. Distinguished by its impressionistic Tranquil finish in greyish blue/aqua that has been kissed with silver leaf, it will literally shimmer in any room. In true Caracole style, our custom-designed, asymmetrical, metallic palm frond door pulls enhance this piece of art. Watercolours is sized to hold a 42-inch television. Additional features include a pull-out writing surface with cord access, two adjustable shelves behind sliding doors, as well as two drawers and two file drawers. Finished with a warm Coastal Silver Leaf plate cap and base, this piece functions as an office, entertainment center or bar with equal fluidity.
