THE BUILD

1. Knit fabric stretches in four directions, allowing you to get the most out of the comfort layers in your bed.
2. Super-soft quilt foam layer provides cloud-like comfort for your body.
3. Medium-firm quilt foam layer is designed to conform to your body while providing long-lasting support.
4. Super-soft layer delivers deep-down comfort and reduces pressure points on hips and shoulders.
5. High-density fiber pad provides stability and support to your mattress.
6. The foam-encased VertiCoil system has a strong perimeter and consistent coverage across the entire surface of the bed, which helps reduce sagging and roll-off.
7. Medium-firm base foam provides extra support for your body.
