

# Built-in style, full-size capacity—only with LG Counter-Depth Max

Why choose between the built-in style you love and the storage space you need? Only LG could innovate a way to give you both—with capacity you typically get in a standard-depth refrigerator packaged in a sleek, counter-depth design\* that blends seamlessly with surrounding cabinets. Complete the look with modern, flat panels and edge-to-edge InstaView® window that lets you see inside with two quick knocks. Dual ice makers deliver all the cubed and crushed ice you need for entertaining or everyday use.

Edge-to-Edge InstaView® Design

KNOCK TWICE TO SEE EVEN MORE THAN BEFORE

- InstaView® window is larger with a tinted, frameless edge-to-edge design—so now you can see even more with just two quick knocks on the glass panel
- See your favorites in an instant without ever opening the door, from drinks to frequently used condiments to snacks for the kids

Versatility

DUAL ICE MAKERS ENSURE YOU'LL NEVER RUN OUT

- Located on the door and in the lower freezer compartment, dual ice makers produce and store more ice for parties or filling coolers on hot summer days
- Slim SpacePlus® ice system offers easy access to ice while freeing up shelf space and providing extra door bin storage
- Still need more ice? Turn on IcePlus™ to increase ice production by automatically lowering freezer temperatures to the coldest setting for 24 hours†

†Increases daily ice production by up to 9%. Actual results may vary due to setting, water supply and home use conditions.
